Portfolio Press,U.S. Paperback. Book Condition: new. BRAND NEW, Norfleet: The Actual Experiences of a Texas Rancher's 30, 000-mile Transcontinental Chase After Five Confidence Men, Norfleet, This is the true story of J. Frank Norfleet, a typical west Texas rancher, and his four-year, transcontinental chase after a gang of international swindlers. The only previous training Norfleet had had was following his pack of hounds after wild animals. In tracking these human wolves, he followed the same tactics until he found other human hounds obliterating the trail. Although the events depicted here transpired eighty years ago, they are no less pertinent or fascinating today . . . for as long as laws exist, there will be those who choose to break them . . . as long as people have money, others will try to swindle them out of it. Hopefully, there will likewise always be men like J. Frank Norfleet to bring these cowardly predators to justice.
