Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Probationer s Companion: With Studies in Pilgrim s Progress For years the author has been urged to prepare a handbook for probationers by many ministerial brethren. At last he has yielded to their entreaty and the request of the Publishers. Not having such printed help to guide and train young converts during his ministry he was obliged to invent means to aid him in developing the spiritual life of beginners in the school of Christ. While the conversion of souls is the first and supreme work of the Christian pastorate, yet. The Training of Converts is only secondary in time and importance to their conversion. They cannot be edified until converted, but the steadfast growth of converts is vital. Many die by neglect and starvation. A godly woman burned this idea into our soul. At the close of a great revival we called the young converts and class leaders together one night to assign these newborn souls to the classes. She came up to her pastor, and as her eye swept the crowded vestry, with deep emotion said, I see before me hundreds of newborn babes to be dressed in righteousness, and nursed for Christ. Will one of them die through the carelessness or starvation of us class leaders? God help us! None of her class died. But all leaders are not as wise and spiritual as this saintly woman. Hence many pastors are at their wits end how to preserve the fruits of the revival. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
