AFRICA IS NOTHING LIKE THE LION KING: BLANK JOURNAL MUSICAL THEATER GIFT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We are reminded that nothing is ever as expected, and to be prepared for the surprises in life. This book is perfect for friends and relatives who are at the precipice of a new experience: graduating, accepting a new position or job, in a relationship transition, getting married, retiring, taking a trip, starting a project, or moving on to something new and exciting - who aren't afraid to pick up and just go, take a risk, wander, journey, and adventure beyond that which is comfortable. It's filled with alternating blank and lined pages - no text. Not only does it make a great coffee table book, but its pages can be used as a list of goals, journal of prayers, a travel log, a diary of milestones, a record of special memories, a place for random sketches and diagrams, a very long bucket list, or a notebook for tips and tricks. Make the gift even more special by writing a note or two of your own and tucking a little cash or gift certificate into the folds. Also consider this for fans of The Book of Mormon, Broadway musicals, the musical theater, in general. ** Bulk orders of 25 or more are available at a discount directly from the publisher, Write Run Books, for corporate offerings, special event gifts, party favors for groups, conference and convention hand-outs, promotional items, and charitable giveaways. On the BACK COVER: The phrase, Africa is nothing like the Lion King, is a popular quote from The Book of Mormon Broadway musical (2011). In the musical, Mormon missionaries, Elder Price and Elder Cunningham, are sent to Uganda and are in for an eye-opening experience when they...
