Saunders, 2002. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This easy-to-read, self-teaching worktext lets students learn by doing" writing terms, labeling diagrams, and completing fun exercises and review sheets. For the first time in full color, this concise edition uses the same tried-and-true method as Chabner's The Language of Medicine: it shows how medical terms can be broken down into smaller word parts to aid in deciphering the word meanings. With extensive hands-on practice, repetition, and case studies, the thoroughly revised 3rd edition helps students acquire basic knowledge of body systems and practice using medical terms in proper context. It's everything students need to start their medical career! Instructor resources are available to qualified adopters; contact your sales representative for more information.
