Brand New Book. Why, despite their best efforts, do good people find themselves in conflict? Cooperative Wisdom: Bringing People Together When Things Fall Apart introduces a novel approach to ethics that consistently dissolves conflict, restores goodwill, builds common purpose, and helps people thrive. Developed from years of scholarship and proven practice, this insightful approach to conflict resolution is effective in boardrooms and family rooms, classrooms and committees, faith communities and government agencies. Rooted in rigorous ethical thinking, Cooperative Wisdom is highly readable. Written as a spirited exchange between an acclaimed philosopher and an inquisitive journalist, it has the energetic, inviting feel of a great conversation. Dr. Donald Scherer sets forth the human virtues that promote sustainability in natural and social environments. Award-winning journalist Carolyn Jabs asks the tough and pointed questions a smart reader would raise. Their collaboration distills a lifetime of research and analysis into practical principles that crack open stubborn problems and reveal cooperative solutions to persistent conflicts. Cooperative Wisdom starts with the observation that human beings flourish in settings where cooperation produces mutual benefits. That s why people put so much effort into creating strong marriages, resilient families, robust associations, responsible companies, progressive communities, and effective governments. When change threatens these systems-as it inevitably does-cooperators find themselves in conflict even though they sincerely tried to do the right thing. The authors then introduce readers to five social virtues: habits of thought and action that sustain cooperation despite change and conflict. - Proactive compassion anticipates and responds to vulnerability. - Deep discernment uncovers bedrock values. - Intentional imagination expands our sense of what s possible. - Inclusive integrity...
