SYNOPSIS Packets of Seeds This is a book for anyone curious about life after death or with questions about what it is like to die. It is also for people in grief over the loss of a loved one or that someone may have a terminal illness. Kehnroth Schramm, M. D. passed away September 24, 2004 but Ken continues to be a teacher and a physician. He has given us the gift of his latest findings that life does continue. He was a true physician, always wanting to be available to those in need and he wanted nothing to do with money except to use it to help those in need. Ken lived his life protecting his Hippocratic Oath to do no harm and to protect his patients secrets. He was always in search of better ways to do...
