Brand New Book ***** Print on Demand *****.Excerpt from **A Handy Bibliographical Guide to the Study of the Spanish Language and Literature: With Consideration of the Works of Spanish-American Writers, for the Use of Students and Teachers of Spanish** This little pamphlet has been developed entirely through practical necessities, and it is intended only to serve practical ends. Its chief aim has not been bibliographical completeness, but to offer to the American teacher and student a selection of such works and periodicals as will be really necessary and useful in the study of Spanish. It is hoped that not many books of real importance for the ordinary student have been overlooked and that in every case the best books of reference have been mentioned. Whoever makes a selection of books is liable to be criticised for admitting certain books and omitting others; but I shall receive thankfully any suggestion or criticism that may be made for the improvement of this little book, by those who are using it. I wish to express my thanks to Mr. Fred. W. Boettler for his critical reading of the manuscript and for his careful reading of the proof.
