IMMIGRATION, IMMIGRATION, IMMIGRATION! : EXPLOSIVE INFORMATION - WHY THE UK SHOULD LEAVE THE EU 1967 BOOKLET JOINING THE COMMON MARKET - WHAT THE TREATY OF ROME MEANS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Immigration, immigration, immigration - is all that seems to be dominating the news in the run-up to the 2015 General Election. Though for those living within it all and experiencing the detrimental effects and impact mass immigration is having on their lives, villages, towns and cities, it is an ever present topic of debate; that many others - Pro-European Union have preferred to sweep under the carpet. Often branding anyone who points out there s simply too many people entering the country - as being xenophobic racists - coming-up with derisory justifications, such as immigrants bring so much more to the table and adding to the wondrous diversity of what multiculturalism can offer. In many respects this can be true and why you ll probably find the largest number of people from a whole variety of ethnic backgrounds already living the UK, than perhaps any other country in the world, especially since the UK joined the European Union in 1973. This is why it s vitally important to understand this has nothing to do with xenophobia, intolerance or racism - and all to do with the math = numbers, nothing more, nothing less. It wasn t until May 2014 when UKIP won seats in every region of Great Britain. The first time in over 100 years that any party other than Labour or the Conservatives have won before. The leaders of the main three political parties, after picking themselves up off the floor, soon realised the seriousness of their dilemma and soon made false promises of an in or out referendum of the EU. David Cameron s pledge to cut net immigration is in tatters as figures published 26 February 2015, reveal...
