Many people include their telephone number with their requests. Some questions about the scope of a request can be resolved quickly when an agency employee and the requester talk. This is an efficient way to resolve questions that arise during the processing of FOIA requests. It is to everyone's advantage if requests are as precise and as narrow as possible. The requester benefits because the request can be processed faster and cheaper. The agency benefits because it can do a better job of responding to the request. The agency will also be able to use its resources to respond to more requests. The FOIA works best when both the requester and the agency act cooperatively. . C MAKING A FOIA REQUEST The first step in making a request under the FOIA is to identify the agency that has the records. A FOIA request must...
