Anchor Recordings Limited, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Has God brought the Jewish people back to Palestine? How can both Jews and Christians be God's chosen people? How many covenants are there in the Bible? Do all Christian Zionists accept dispensational teaching? Does the God of Israel ever change his promises? These are some of the questions that must be faced in the light of current attacks on Christian Zionism by some evangelical writers. David Pawson believes that Christians need very clear biblical understanding before making political pronouncements about conflict in the Middle East.
