

Chemistry for CSEC Examinations Pack

By Tania Chung-Harris

Macmillan Education. Mixed media product. Book Condition: new. BRAND NEW, Chemistry for CSEC Examinations Pack, Tania Chung-Harris, This popular and established series has been completely revised and updated. The series has been written by highly experienced teachers especially for students studying for the CSEC General Proficiency examinations. The books have been written to make it easy to study a whole topic from scratch, or to seek out answers to specific problems. The new editions include interactive CD-ROMs offering further study on challenging topics with the syllabus. The wide range of activities, animations, videos, games and experiments offer a new and exciting way for students to learn, as well as greatly increasing their enjoyment in the subject. A markbook and feedback for every question allows students to monitor their progress and encourages learner independence. This title covers all sections of the latest CSEC syllabus. Learning objectives are stated for each chapter. The books form a useful reference resource for teachers. Keywords highlighted in the margins form a glossary. Diagrams and photographs with captions illustrate important points. Table summaries and diagrams provide all the essential information for less able students. Questions in the margins enable students to check their understanding as they...

Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Ewell Rempel

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).
