Viva Editions, United States, 2014. Paperback. Book Condition: New. Peg Conley (illustrator). 201 x 137 mm. Language: English . Brand New Book. Peg Conley has been an artist all her life, but, like many of us, took a long detour into the working world -- in her case, corporate sales, where she found a lot of success and was able to raise a happy family. Art became the thing she did on vacations, weekends, and when she could carve time out of her busy life. Something gnawed at her, a nagging feeling that life might hold something else for her in the midst of it all. Then came the big aha moment. Peg heard a small voice inside: Imagine the life you want to live, then live it. It s that simple! Her family encouraged Peg to pursue her passion. Despite a great deal of fear, Peg dropped her big job, big house, and big life and moved to San Francisco to start a business based on her artisan stationery. From a handful of hand-painted cards, calendars, and posters, her company Words and Watercolors was born and has been inspiring people, winning awards, and raking in the sales ever since. Peg s intention with her work is to inspire and her art and writing all speak to life s great truths and those aha moments.
