This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject Politics - International Politics - Region: USA, grade: 2,3, Free University of Berlin, language: English, abstract: With the release of the National Security Strategy (NSS) in September 2002, the administration of President George W. Bush developed the ideological keystone for U.S. foreign policy for the beginning of the 21st century. The document is therefore often referred to as the Bush Doctrine. Its publication, and more so, its application in the American foreign policy agenda, has caused tensions among politicians, diplomats and citizens all around the globe. The consequences, however, may be more consequential than just a temporary low in the international political climate. The Bush Doctrine '[.] affirms the legitimacy of an American preventive strike and emphasizes the notion that 'If you are not with us, you are against us.' U.S. foreign policy, therefore, is [.] about shedding the multilateralism favored by the Clinton administration and pursuing a more active, unilateral approach' (Glazov 2002, 1). In the following, I intend to analyze what consequences the U.S. foreign policy...
