Research Methods for Business and Management: a guide to writing your dissertation (Paperback)

By Kevin O Gorman, Robert Macintosh

Goodfellow Publishers Limited, United Kingdom, 2015. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. This updated and revised edition offers a comprehensive overview of key research methods and the main choices available when undertaking research in business and management. New to this edition is a comprehensive, practical guide on how to write your dissertation - invaluable to all. It is a clear, concise and practical guide containing wealth of outstanding examples for each method covered. Central to this edition is the methods map (chapter 4), which sets out a logical process for researchers to articulate their position in relation to five key aspects of their research philosophy. In addition, the editors have developed a free app to accompany the book and this enables novice researchers to quickly develop a comprehensive justification of their particular research design in an interactive way. Taking you through the entire life cycle of a dissertation, the text covers everything from the purposes of research through to chapters on gathering primary and secondary data; using literature; quantitative and qualitative research; managing your research; using data and research ethics. Individual chapters are allied to a powerful critical commentary showing how some of the world...
