After reading this book, you will understand the needs and motivations of your family, friends, spouse, employer, and children in a way that will allow you to change your life and theirs! How As the evolutionary product of our planet, we are born with imprinted behavior patterns that were once crucial for survival. Today, these inherited behavior patterns remain strong, initiating most of our actions. Yet, they are often at odds with alternative behaviors that would better benefit us. The Revelation introduces mankind to Market Fences, a radical new form of anti-trust regulation that will improve mans collective marginal productivity so he can face the challenges of oil supply depletion, environmental pollution, poverty, disease, famine, and war with the necessary wealth and know-how to avoid an otherwise unavoidable population die-back. Your journey goes beyond an exploration of human brain evolution and our experience on planet Earth. You will discover how our economy really works, and read the Revelations detailed explanation as to the origins of the Universe. These origins are all containedrevealed from mathematical concepts and principles, brought to us (humanity) for interpretation...
