

## South Crofty Mine: Geology & Mineralisation

By N.G. Leboutillier

Penhellick Publications, Pool, Redruth, 1996. Soft cover. Book Condition: New Book. Dust Jacket Condition: New Book No DJ. 1st Edition. 12mo - over 5¾" - 8¾" Tall. New book no DJ. Softcover laminated. South Crofty Mine lies in the ancient Cornish parishes of Camborne and Illogan, at the Centre of what became known, during the heyday of Cornish mining, as the Central Mining District. Throughout most of its history it was of little significance, and Penhallick Vean Work, which eventually was to form the nucleus of the present mine, was just one of dozens of tiny operations when it first appeared in the records over 320 years ago.

### Reviews

*It in a single of the best pdf. it had been writtern quite properly and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Mr. Maximo Johns**

*This publication is fantastic. It really is full of knowledge and wisdom You are going to like just how the author write this publication.*
