

## Philosophy of Osteopathy (Paperback)

Filesize: 2.16 MB

### **Reviews**

*Extremely helpful for all class of folks. It is really simplified but excitement from the 50 percent of your ebook. You wont sense monotony at at any moment of your time (that's what catalogs are for about if you check with me).*  
(Prof. Zachary Pollich V)

## PHILOSOPHY OF OSTEOPATHY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Philosophy of Osteopathy by Andrew Still. In 1874, Andrew Still, a medical doctor living on the Missouri frontier, discovered the significance of living anatomy in health and disease. Dr. Still realized that optimal health is possible only when all of the tissues and cells of the body function together in harmonious motion. He reasoned that disease could have its origins in slight anatomical deviation from normal. He then proved he could restore health by treating the body with his hands, naming his innovative approach to restoring health: Osteopathy. He understood that the human body is composed of many parts, all intimately related as a functional whole. More than a hundred years ago, Dr. Still realized that the human being is more than just a physical body. He envisioned a totally new medical system that acknowledges the relationships of the body, mind, emotions and spirit.
