Brand New Book ***** Print on Demand *****.Excerpt from Hand Book of Useful Information for Architects, Builders, Contractors Building Material Supplies Firms: Los Angeles, 1917 The Building Industries Association of Los Angeles presents this Hand Book of information relative to the building laws of the City, believing that such publication is of value as a compendium for prospective builders and a guide to contractors, sub-contractors and material supplies houses generally. The Book contains the cost of building, electric, plumbing and sewer permits, with the laws, ordinances and amendments governing the same. The State housing laws, sign, stage and sidewalk laws, cost of bonding and compensation insurance. A complete directory of the members of the Building Industries Association is also shown classified into crafts to which each belongs, together with the Constitution and By-Laws under which the institution operates. The building public, architects and engineers are welcome to the use of the commodious rooms and complete equipment of the Association at all times, and are especially solicited to employ the firms represented in the membership, with the assurance of receiving efficient service and honest materials...
