Brand New Book ***** Print on Demand *****.I find connectedness through various forms(poetry, painting, music) by insisting on spontaneity. An image that I paint could very well become a chorus in a song. Paying close attention to my dreams and the soft voices inside my imagination, and allowing these to shape within my being s center(an emanation of my heart), this is the affirmation of the symbolic through faith. An invisible loving which manifests itself through patience and is never controlled. The hidden becoming known. My work will always seek an affirmation or communion while creating a liberation of the ordinary. A visionary poetic journey of almost twenty years, Project End Of Days is a celebration of heartsongs that will inspire.
