

Flower Fables

Filesize: 6.18 MB

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ken Watsica)

FLOWER FABLES

Dover Publications Inc., United States, 2015. Paperback. Book Condition: New. First Edition, First ed.. 216 x 140 mm. Language: English . Brand New Book. The author of Little Women possessed a special gift for capturing children's imaginations, and she wrote these fairy tales when she was just sixteen years old. Louisa May Alcott created the fanciful stories for the amusement of the daughter of a family friend, Ralph Waldo Emerson. Populated by elves, brownies, and other supernatural creatures, the fables conclude with memorable lessons for young readers about the power of love and kindness and the importance of responsibility. In The Frost-King, steadfast Violet approaches the fearsome ruler of winter in order to bring warmth and sunshine to the flowers back home. Lily-Bell and Thistledown recounts a wayward spirit's attempts to reform; and Ripple, the Water-Spirit tells of the sacrifice and rewards involved in keeping a promise. These and six additional stories and poems are accompanied by charmingly evocative illustrations.
