SECOND RISING: A NOVEL

Blue Butterfly Book Publishing Inc., Canada, 2010. Paperback. Book Condition: New. 175 x 114 mm. Language: English . Brand New Book. People cannot readily be categorized, nor some books. *Second Rising* is one of them. In her publishing debut, Canadian fiction writer Catherine Wiebe is as refreshing as she is startling with this fictional memoir of birthing and memory, a chronicle of food prepared, bread baked, and human skin bringing first experience of the world. Who knew that a grandmother kneaded sorrow into each loaf of bread she baked, or that her memories were preserved along with the pickles she and her granddaughter made? Wiebe instinctively knows that preparing food for someone we love is the most intimate act of all, making something that will not only be taken into the mouth and be transformed into flesh, but will linger in memory as well. Wiebe writes prose as if it were poetry, sharp and clear, touching the mind and stirring the heart while awakening long-forgotten truths. *Second Rising* is the afterlife of food, the memory of what was, once its reality has gone. Catherine M.A. Wiebe, a recent graduate in arts and science from McMaster University, and her husband Tim live in Hamilton, Ontario. She has worked as an editor, graphic designer, construction site supervisor, teaching assistant, and bookkeeper. Wiebe's enthusiasm for wholesome food and new recipes parallels her freshness in creative writing - the mixture that is never the same, worked with artistic knowledge of how to combine ingredients in ways that startle freedom to life.
