Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changed the way I believe.

ANIMAL TALES FROM INDIAN MYTHOLOGY (PART - 1) (HINDI)

Unicorn Books, 2010. Paperback. Book Condition: New. From time immemorial, the people of India have believed that animals and birds are an integral part of life on earth and are loved, nurtured, and even deified. Every important Hindu god or goddess has a vahana or vehicle to carry him or her through the heavens, and these vahanas are animals or birds. They not only carry around their divine owners, but also play an important role in their lives, battles, triumphs and adventures.
