Anness Publishing. Hardback. Book Condition: new. BRAND NEW, The Practical Guide to Dowsing: How to Harness the Earth's Energies for Health and Healing, Patrick MacManaway, This title helps you how to harness the earth's energies for health and healing. It is a unique, practical introduction to a powerful and ancient art, which uses simple tools such as pendulums, together with a finely tuned intuition, to provide wisdom and guidance. This title helps you how to apply dowsing to all aspects of your life - at home, in the workplace, in the garden, in the countryside and in your community - to reduce allergic response, find a suitable diet, and to heal yourself and others. It includes working with earth energies, geopathic stress, place memory, power focus, chi paths, and auras. It covers step-by-step dowsing sequences that include assessing food vitality, choosing vitamins, minerals, flower essences, and remedies to treat illness and improve health. It is beautifully designed and extensively illustrated. Dowsing is both an art and a science, which connects the rational, conscious mind with the intuitive unconscious. To become a dowser is an exciting, practical journey of self-discovery, balancing and integrating the mind and spirit, and achieving wholeness. This innovative book explains the many different aspects of dowsing, from healing ourselves and others, to finding and repatterning 'blocked' energy paths. It both complements and enhances other natural therapies and can be used to diagnose and treat specific problems, such as allergies. It can even be used by gardeners and to help new business - for advising on the best locations for healthy growth. Specially commissioned photography is combined with expert advice to guide you through the techniques, for enhanced health, wealth and happiness.
