C6925 2002 OCLC Number: ocm58751155 Subject: Telecommunication systems -- Security measures -- United States. Excerpt: . . . hallenges we faced---- Senator Burns. Pull that microphone up so we can hear you a little bit. Mr. Cangemi. Sure. Thank you for inviting me to tell you the story of the telecommunications restoration efforts in New York City. I would like to address some of the challenges we faced, what worked, what worked well, the process we used, were there opportunities to improve, what did not work so well, and what we are currently doing in New York City to improve the infrastructure going forward. It has been 6 months. I did want to kind of couch this testimony in terms of trying to take you back to that day. For many of us in New York, it was an attack on the country, but also an attack on where we go to work every day, as well as you here in Washington. It was an attack on our families and it was an attack on our colleagues. So there was a sense...
