

Green Living Can be Deadly

By Staci McLaughlin

Kensington Publishing, United States, 2014. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Thinking green comes with the territory at the O Connell Organic Farm and Spa in Blossom Valley, CA. But could a festival be taking things too far, especially when it leads to a fresh case of murder? When Dana Lewis organizes her Green Living Festival, complete with free range fauna and tempting delicacies of tofu and tempeh, she hopes to inspire Blossom Valley into reducing their carbon footprint. But for some participants, saving the planet should have come second to saving their skin, like green energy guru Wendy Stevens, just found dead in her Invisible Prints booth. Now Dana needs to work fast to stop a killer from turning her big event into the next great environmental disaster. . . Praise for Going Organic Can Kill You A sprightly mix of humor and homicide, featuring an engaging heroine and a fast-paced plot that zips along to an exciting climax. 100 organic fun! --Laura Levine A fun, light read. -- Library Journal.
