THE PATRICIAN (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Lyndsey Lewellen (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Jared of Alexandria shuns both his Roman and Hebrew blood, a curse that s kept him on the fringes of society, to become a powerful and successful merchant prince. When his trading empire is threatened by an unknown enemy who not only wants to see him ruined but dead as well, he uses every means to put an end to it. He turns to a beautiful barbarian seer, a slave with hair the color of firelight and eyes that shine like emeralds only to be betrayed into a fate worse than death-slavery. Bryna of Eire lives each day burdened by the yoke of Rome and her own guilt for leading her beloved brother and clansmen into Rome s clutches. She curses the gift of sight which her master exploits, keeping her under lock and key, telling fortunes and fattening his purse. When an opportunity to be freed of her confinement comes, Bryna takes it, though her instincts warn that lying to the sensual, golden-eyed man that plagues her visions risks her very soul. Betrayed into slavery, Jared labors under the lash envisioning revenge on the seer who sent him into this hell. But when fate throws Bryna into his arms, he finds exacting vengeance a different matter. As they escape, evade bounty hunters and face their pasts, Jared must battle not only his enemy but his heart. Can the differences that separate them draw them together to save their lives and their love?.
