Sterling Children s Books, United States, 2016. Board book. Book Condition: New. 175 x 175 mm. Language: English . Brand New Book. Everyone knows that once a lemur takes a fancy to you there is not much that can be done about it. That s just what happens to a little boy when a lemur begins to follow him in the park one dayand more of the adoring animals join in. The boy does everything to ditch the playful creatures, from jumping on a train to flying in a hot-air balloon to climbing the highest mountain. But nothing worksand soon he s lost, too! It s then that his constant companions show just why they make the very best of friends. The parade of lovable lemurs, and Frann Preston-Gannon s humorous and sweet illustrations, will have children laughing, reading this again and again . . . and wishing they could have a pet like that, too. This new board book edition is the perfect size for new readers.
