Brand New Book ***** Print on Demand *****.A Guide to teaching the 12 Steps. The Sponsor s 12 Step Manual is an (independent) approach to delivering the program of A.A. that will help people learn faster and remember more. The manual uses a six-point method of teaching to reinforce learning and to increase comprehension and promote awareness of the Steps to its fullest extent. The process starts with understanding the language used in the Steps and progresses on to an in depth study of what is in the literature and how it applies to an individual. The six levels also cover self reflection and creativity with the final level of each Step looking at how a sponsee may carry the message to a newcomer. This is not a stand alone book, for it to work you will also need to have access to A.A.s Big Book and The 12 Steps and 12 Traditions. Now available in a NEW WORKBOOK EDITION.
