

A Handbook of the United Brethren in Christ (Classic Reprint) (Paperback)

Filesize: 5.82 MB

Reviews

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.
(Prof. Flo Cruickshank DDS)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Hand-Book of the United Brethren in Christ An intelligent understanding of the character of the religious denomination to which he belongs is important to every Christian. In a church like our own, in which the members so fully direct the policy and methods, all, even the youngest, should be instructed in its history and work, its principles and government. A full knowledge of our church s history - its struggles, growth, and successes, its principles and methods of work, - can not fail to enlist the enthusiasm of its members, and to make them more devoted to its interests. To the young people of the church that desire a knowledge of its life, to those that have not access to more extended books, to others that desire in a brief space an outline of the work and history of the denomination, this little hand-book is offered with the hope that, in part at least, it will meet their wants. It is believed that such a compendium, brief enough to be read in a short time, yet full enough to give the essential facts, will be of daily service. It is difficult in such small space to present more than a slight outline. No attempt, therefore, has been made at extended research, the incidents of the history and the statements of work and doctrine being collected from larger sources. From these causes and for these purposes, this hand-book has been prepared, and is presented to the members of the church. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
