InterVarsity Press, United States, 2014. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book. Preaching s Preacher s Guide to the Best Bible Reference for 2014 (Theology) The Bible begins and ends with God dwelling with his people--from Adam and Eve in the Garden of Eden to the great multitude in the New Jerusalem. At each step, God gathered his people together: to speak to them, hear from them and change them to be more like him. God assembling his people, whom he loves, is what the Bible calls church. The church should aspire to be a vibrant, loving, risk-everything people who are passionately committed to living out the values of God s Word and looking forward to the new creation. Churches and their pastors and leaders need to hear what the Bible says about who they are and what they are to do. Chris Green takes the message of the church to mean three things. First, the church has a message, which is that God has saved his people through Christ. Second, the church is the created and saved result of that message. Finally, the church is a message. He has saved broken people like us, and by belonging to his people we are trying to respond to him in the ways he requires. Green s stimulating and insightful exposition begins with a survey of the church from eternity, to Eden, to exodus, to exile, to eternity, and then focuses on various dimensions of the church s life and ministry, including its worship, unity, maturity, servants, gifts, holiness, boundaries and future.
